LB 58, 194, 195

CLERK: Senator Hefner changing from no to yes. 25 ayes, 21 nays, Mr. President.

PRESIDENT: The motion carried. The Hefner amendment as amended is adopted. Approaching noon hour. Senator Nichol, do you have any desire for us at this time?

SPEAKER NICHOL: Mr. President, I suggest that we adjourn until 1:30 this afternoon at which time we will go to our committee hearings. Once again, for those that didn't hear me Thursday, thank you for your hard work last week. I really appreciated the cooperation, committee chairmen and the members of the committees, for getting your bills worked on and acted upon. We will continue at the rate we are. Remember tomorrow morning at ten o'clock the Governor comes in for his State of the State message and I understand he will be talking about the budget in the future. So this might be of interest to you. Thanks for your help.

PRESIDENT: The motion has been made to adjourn but the Clerk has messages to read.

CLERK: Mr. President, I have notice of hearing by the Appropriations Committee. (See pages 347-350 of the Legislative Journal.)

Your committee on Revenue whose Chairman is Senator Carsten reports LB 194 advanced to General File with committee amendments attached; 195 General File with committee amendments attached. (See pages 350-351 of the Legislative Journal.)

Revenue offers notice of hearing for February 7 and 8. Those all signed by Senator Carsten as Chair.

PRESIDENT: Recorded in the Journal. All those in favor of the motion say aye, opposed vote no. Motion carried. The Legislature is adjourned until 9:00 a.m. Tuesday morning, tomorrow.
